

# School council - Spring term 2016

Adults: Miss Johal and Mrs Besenzi

1. Recap the last school council meeting and what we discussed - any improvements? - Use Winter agenda to support this. For example: House points - we will be conducting this the next academic year - can they think of names for the houses? **Starting September 2016**

2. Any information to be brought forward from the class assembly discussion? Remember - bring me a problem, bring me a solution!

**Display board in the library - to have information on how to use the library. The children think this would be a good idea once the library is re-organised, it will allow people to know where books are located as well as additional labels on the shelves and the grading of the books can be listed in order.**

**SC offered to sort books in the library**

**Requested another dressing up day in relation to any future charities order to help raise money (Comic relief already discussed and SC agreed dress code is to wear something red/ theme comic relief advertise)**

4. Cake sale/ raffles to raise money for the school? When? Where/How will we get the cakes? Raffle prizes/Who are we selling them to? **Can classes think of ways and discuss this and SC to feedback at the next meeting.**

5. Would the school council like to split the roles? - Discuss this with them for example: 4 different areas the sc are tackling - 2 on behaviour, 3 on charities, 2 on healthy eating, 2 on the new school, 2 on resources (this children are focusing on these areas but also still inputting any other ideas)

**Behaviour - David and Enisa**

**Charities - Somia, Daniel and Jasmine**

**Healthy eating - Popppy and Thomas**

**New School - Imogen and Mathew**

**Resources - George,Roxky and Mia**

7. SC feedback to their class
